

## Comparison Table for Hunting Tools

Hunting Tool: \_\_\_\_\_

### Relevance Criteria:

Are key recommendations supported by patient oriented outcomes when possible, and, when not, specified as preliminary when supported only by disease-oriented outcomes?

Yes No                      Yes No                      Yes No                      Yes No

### Validity Criteria:

Is a specific method used for searching the literature?

Yes No                      Yes No                      Yes No                      Yes No

If Yes, what is it?

Did the search methods include at least one evidence-based resource?

Yes No                      Yes No                      Yes No                      Yes No

If yes, what method(s)?

Were key recommendations supported by Levels of Evidence (LOE) using acceptable criteria?

Yes No                      Yes No                      Yes No                      Yes No

### Other Information (including Work Criteria):

Is the funding source identifiable?

If yes, what is it?

What is the cost for individuals?                      \$                      \$                      \$                      \$

What delivery mechanisms are available?

What platforms are available for access to the information?	Pocket PC	Pocket PC	Pocket PC	Pocket PC
	Palm	Palm	Palm	Palm
	Desktop	Desktop	Desktop	Desktop
	Web-based	Web-based	Web-based	Web-based

How often is the information updated?

What is the method for updates?	Automatic	Automatic	Automatic	Automatic
	Web Updates	Web Updates	Web Updates	Web Updates
	E-mail	E-mail	E-mail	E-mail
	Installable Files	Installable Files	Installable Files	Installable Files

Is a high-quality coordinated foraging tool available?

Yes No                      Yes No                      Yes No                      Yes No
